Dear Flying Stone Canada Ltd:

Due to my personal health condition and physical disability, I was having hard time to find a decent place to live. This frustration experience was totally changed after I found out Flying Stone Canada Ltd. Tom showed me the place and I was very happy about the quality and paid him the required \$300.00 in cash, shortly after left, I received a text message showing I overpaid them \$100.00 in rush. I knew at that moment I had a great luck to find a good landlord besides a great place to live.

The room I moved in are all fully furnished, with very nice quality and fresh smelled bedding. In addition, when I asked the office to see if it was possible to provide some 2nd hand dishes and cooking utensils, they took my current situation into heart and provided these in no time. I was very grateful for their help.

Overall I had a great experience with Flying Stone Canada and would like to take this opportunity to say thank you for your help and great accommodation you provided and I have an absolutely yes to recommend your company and service to anyone who needs.

Warm regards
