Testimonial Letter for Flying Stone Canada Ltd.

I have been in Edmonton for 4 months and in my first week I've booked a lot of appointments for several houses, looking for a better accommodation during my stay. The one proposed me by FSC was surely the best. Moreover, they made my moving process (both in and out) really easy, fast and clear, taking care about all needed documents.

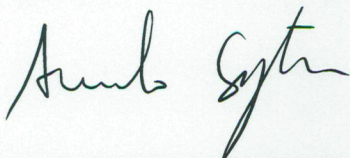

My room mates were college students and professionals of Canadians and from all over the world, they are all very friendly and it was great to be able to meet so many great people during my stay.

In addition, I am very happy with the cleaning schedule set up by Flying Stone as everyone takes turns to clean the house, the home is always in a great tidy and clean condition. The location was also every convenient for me with just a few minutes' walk, I can get onto the LRT station nearby and go to my school anytime.

Definitely I recommend both house and FSC, especially for foreign workers like me."

I want to say thank again to FSC and in particular to Tom for all what he did during my stay. I will surely bring with me a wonderful memory of Canada and Canadians.

Sincerely,

Armando Segatori, Visiting Researcher in UoA
