Dear Flying Stone Canada Ltd:

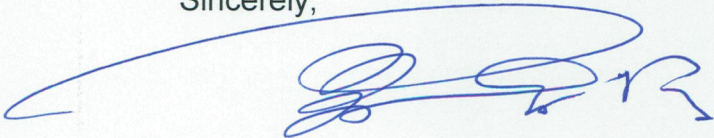

With my experience with Flying Stone Canada, I can say they are honest, efficient and pleasant to work with.

I rented this place so that I can be close to my kids who are left from my previous marriage. The location worked for me and my kids could come and visit me anytime we like. The house was spacious and clean, it fit me needs quite nicely. The renting process was carried by FSC office was very professional and within 2 days my application was processed, approved, move-in set up and I settled in with my kids around me. It was a smooth process and the peace in mind you can only get with competent professionals

Unfortunately due to the economic condition, most of my contract works were being put on hold or cancelled. I had to make a tough decision to go aboard to find a new job. It meant that I had to terminate the lease prematurely. After explained my situation, I was pleased that their office came up with a solution with 2 month rent paid so that I could close the current lease without any problem. This was a fair and reasonable solution and resolved my situation quite nicely.

In short, I had a great experience with Flying Stone Canada and will definitely ask for their service and housing again when the time comes. I am confident that you will be as pleased as I am when you have the chance to do business with Flying Stone Canada. They are a great company that can be trusted.

Sincerely,
