Re: Rental Reference Letter for Lisa and Alberto Zepeda

Dated on 2021-05-20

To whom it may concern,

Lisa and Alberto Zepeda and the whole family have been renting from us since 2016. During their stay, they pay rent on time and take great care of the property and it is not an overstatement that they treat this home as if it is their own. Simply put, one of the best tenants any landlord and/or property manager can ask for.

About a month ago Lisa informed us that she has been promoted and needs to relocate to the new area in BC. She has graciously offered to show the home to the prospective tenants. In addition, she assured us that if any reason the home is not being rented by the time she leaves, she will still cover the rent till either the lease expires or the home is rented out, whichever comes sooner.

I would like to take this opportunity to express our deepest gratitude to Lisa and Zepeda's family for being such great residents and more precisely, great community members who truly take care and share our home as their own. In addition, their stay of the past few years has been a pure joy not only for their beautiful family, but for us, the property manager and landlord as well.

There is no doubt that Lisa and her family will be a great asset for anyone who is able to provide rental accommodation for them. Please feel free to get hold of us if we can be of any further help.

Warm regards, Tom Zhang
